"Roots and Leaves will be for the healing of nations."—[BIBLE.]

Madame Victorine Holland,

THE great European Clairvoyant of the 19th century, and world renowned Healing Medium of the age, has arrived in Cincinnati, and established an Infirmary at No. 271 Walnut street, opposite Walnut St. House.

This wonderful Lady has been traveling through Europe and West Indies, South America, California, and the United States, for the last thirteen years, and has been endowed from her birth with a supernatural gift to such an astonishing degree, that she convinces the most skeptical of her wonderful powers. In short, through the assistance of some superior power she is endowed with the Healing Art. Madame Holland is a Physician indeed! She cures the following complaints in their most obstinate stages, viz:

Diseases of the Throat, Lungs, Heart, Liver, Stomach, Dropsy in the Chest, Rheumatism, Neuralgia, Fits or Falling Sickness and all other Nervous Derangements.

Also, diseases of the Blood, such as the Scrofula, Erysipelas, Caners, Fever, Sores, Leprosy and all other Complicated Chronic Complaints.

All forms of Female difficulties attended to with the happiest results.

It is hoped no one will despair of a cure until they have given Mad. H.'s medicine a trial. During her travels, she has been the instrument in God's hands of restoring to health and vigor, thousands who were on the verge of the grave, and who are now living monuments of her skill and successful treatment, and are daily exclaiming, "blessed be the day when first we saw and partook of Madame Holland's unrivaled medicines."

Satisfactory references will be cheerfully given when required. Madame H. will pledge her reputation and stake her all to make permanent cures in all cases which she undertakes.

Her mode of examination is with a Clairvoyant eye, or second sight. She therefore asks no questions, nor does she require invalids to explain symptoms; telling their cause and location with so much satisfaction as to merit and receive the confidence of all who have consulted her.

When pain and anguish wring the brow, Administering angel thou; I give such balm as have no strife, When nature's or the laws of life.

N. B. Madame Holland absolutely advises nothing but what she has full ability to perform.

Persons living at a distance by giving a statement of their cases will be attended to when required.

SCOVILL'S

BLOOD AND LIVER SYRUP,

OR COMPOUND EXTRACT OF SASSAPARILLA AND STILLINGIA,

FOR THE CURE OF SCROFULOUS, SYPHILITIC AND MERCURIAL DISEASES, OLD SORES, SKIN DISEASES, AND ALL OTHER DISEASES WHICH ARE CAUSED BY AN IMPURE STATE OF THE BLOOD.

A WONDERFUL CURE OF SCROFULOUS WHITE SWELLING!!!

Read the Statement of Martin Robbins, Jr.

One of the Worst Cases ever Recorded! CINCINNATI, O., Feb. 16, 1858.

MESSES. A. L. SCOVILL & CO.

Gentlemen:—I will with great pleasure give my testimony to what your SASSAPARILLA AND STILLINGIA, or Blood and Liver Syrup, has done for me.

I was afflicted with a SCROFULOUS WHITE SWELLING, which was attended with most excruciating pains! I tried various remedies, and had two of the best Physicians of the city (one of them a Professor in an Old School Medical College), and they failed to give me any relief! I was so reduced that I was confined to my bed for over three months. The sores and muscles over my leg were so contracted and drawn up that I COULD NOT WALK. I HAD MORE THAN A DOZEN HUNDRED ULCERS on my legs, from which I took from time to time more than ONE HUNDRED PIECES OF BONE, some of them from three to four inches long. I was reduced to almost a skeleton, and my friends had given up all HOPE of my recovery! I was in this condition when I commenced the use of your Blood and Liver Syrup. I have used altogether some two dozen bottles. I am now ABLE TO ATTEND TO BUSINESS, and my legs have become so strong that I walk without any difficulty—AND HAVE ENTIRELY RECOVERED MY HEALTH. Yours, truly,

MARTIN ROBBINS, JR., 252 West 5th Street, Dealer in Coal Oil and Lamps.

Read an extract from the Cincinnati and Cincinnati Medical Journal, Vol. 5, page 310, by its editor, PAUL R. S. NEWTON, in regard to this Remarkable Cure!

"While Martin Robbins was in the very worst imaginable condition we were called to attend him for a fracture of the leg, produced by a fall. The indications of a reunion of the bone, under the circumstances, were very unfavorable, for he would sit day after day, PICKING OUT SMALL PIECES OF THE BONE, which would slough off. I found him using Scovill's Preparation, which he continued to use until he was cured. We gave him no constitutional treatment, being in attendance only as a surgeon; yet we confess we had more curiosity to see what could be done in a system so extensively diseased as his was."

THE DOCTOR FURTHER says, since that time he has made use of SCOVILL'S SASSAPARILLA AND STILLINGIA in his practice, and it has cured the most inveterate cases of SCROFULA AND SYPHILITIC DISEASES.

A WHOLE FAMILY AFFLICTED—COVERED WITH SORES AND BOILS.

COLUMBIA, Hamilton Co., O., Jan. 20, '58.

MA. A. L. SCOVILL.

Dear Sir:—This is to certify that my wife, children, mother, and myself, about two years and a half ago, were sorely afflicted. My wife, children, and mother, were first attacked with a dreadful itching on the skin over the whole body; and I was covered with running boils. I employed several physicians, and tried their prescriptions for about six months, and found that, instead of getting better, we grew worse and worse; and finally the children were covered with running sores over the whole body. My brother called and got eight bottles of your BLOOD PURIFIER, and strange to tell, before we had one half of it used, we WERE ALL WELL. I had spent over one hundred dollars before I got your medicine.

Yours, with respect,

HAMILTON M'ADAMS.

Will the afflicted call on the agent and get a pamphlet containing a full description of cure for the well known CITIZENS OF CINCINNATI!

SCOVILL'S Blood and Liver Syrup is COMPOSED ENTIRELY OF VEGETABLES, and is perfectly safe for the children to use, in case of sore mouth or eruption of the skin. If MOTHERS VALUE the health of their children, they should eradicate the seeds of the disease before it is too late.

Read the statement of one of the OLDEST CHEMISTS in CINCINNATI.

"I hereby certify that I have been made acquainted with SCOVILL'S SASSAPARILLA AND STILLINGIA, or BLOOD AND LIVER SYRUP. THE INGREDIENTS are entirely vegetable, and no mineral enters into the preparation."

Blood Purifier and Blood Pills!

DR. WM. HALL'S

BALSAM FOR THE LUNGS,

FOR THE CURE OF Consumption, Decline, Asthma, Bronchitis, Wasting of Flesh, Night Sweats, Spitting of Blood, Hooping Cough, Difficulty of Breathing, Colds, Coughs, Influenza, Phthisis, Pain in the Side, and all Diseases of the Lungs.

10,000 DOLLARS REWARD

IS OFFERED FOR A BETTER RECIPE. IT CONTAINS NO OPIUM, CALOMEL, NOR MINERAL POISON! And is safe for the most delicate child.

It is estimated that 150,000 persons annually in the U. S. are afflicted with Consumption, and that a vast number of these could be saved by the timely use of some proper remedy.

DR. HALL'S BALSA strikes at the root of the disease at once, and such is its speedy effect that any one using it freely according to directions for twenty-four or forty-eight hours, and not entirely satisfied with its merits, may return it and receive back their money.

The most distressing cough is frequently relieved by a single dose, and broken up in a few hours' time. The afflicted do not have to take bottle after bottle before they find which this remedy will afford relief or not.

The public have been imposed upon by remedies recommended by certificates which have always originated from some unknown source. We believe that a medicine produced in such a manner as this is used, as home as well as abroad. This is no paragon preparation, but one which if used in season will save the lives of thousands.

It has effected cures in numerous cases, where the most skillful physicians in this country and in Europe have been employed, and have exercised their skill in vain. Cases which they have pronounced incurable, and surrendered as hopeless beyond a doubt, leaving the patients without a single ray to lighten them in their gloom, have been cured by Dr. Hall's Balsam, and the "victims of consumption" are now vigorous and strong as the most robust among us. Any remedy which is so powerful, and which is so numerous, and can be pointed out in every community where this most unrivaled remedy has been tested.

Be slow, then, to believe the oft-repeated story about the lungs being gone; or rather let no such apprehension induce you to give up. Act upon the principle that while there is life there is hope. You can never be so low that you may not trust, humbly speaking, in Hall's Balsam. More than one, nay, hundreds have been brought almost from death to life, when all else had failed, have, by using this powerful but harmless remedy, been cured.

Call on the agent and get a pamphlet gratis. The treatise on Consumption alone worth the price of the medicine. You will find certificates of physicians in Cincinnati, and of others whose cures have been effected here at home, where they can be found.

IF PHYSICIANS WILL USE IT, WHY IS IT NOT SAFE FOR THE PEOPLE? CINCINNATI, Nov. 2.

MESSES. A. L. SCOVILL & CO.

Dear Sir:—The public generally are fully aware of the thousands of remedies for diseased lungs, under the titles of Sarsaparilla, Pills, Plaster, &c., &c., that are daily brought to their notice through the newspapers, by way of advertisement. My object in writing this note for publication is to inform the public that I have ever used, and believe that I have ever used, to use one that contains articles of real use in pulmonary diseases. I am conscious that in so doing I am stating most unprofessionally, and derogatory to the interests of medical science and the regular practitioners of medicine.

The medicine to which I refer is Dr. Hall's Balsam for the Lungs. I have prescribed it in a large number of cases, and always with success. One case in particular to which I wish now to refer, was given up by several physicians who had been in consultation with myself. The patient had all the symptoms of confirmed consumption, such as cold night sweats, hectic fever, harassing cough, with continued pain in the lobe of the right lung, attended with severe diarrhoea! He commenced immediately to get better by the use of the above named medicine, and was soon restored to his usual health! I have also found Dr. Hall's Balsam the most valuable expectorant for breaking up distressing coughs and colds that I have ever used.

W. D. WRIGHT, M. D.

More Physicians' Testimony.

We, the undersigned Physicians of Cincinnati, certify that Dr. Wright's statements are entitled to the fullest confidence of the public, and we can fully corroborate what he has said, having used Dr. Hall's Balsam in a number of cases with the happiest effect.

J. S. LAWSON, M. D., W. C. SMITH, M. D., J. L. JOHNSON, M. D.
